

Acting Together on Climate Change

Put this poster up somewhere handy and track your progress in 2010

'I will reduce my energy use'

Use less Energy

- Easy** Always turn things off
- Medium** Apply for a grant to insulate your loft and walls
- Harder** Switch to a green energy tariff

Cllr Sally Horner, Horsham District Council

'I will use local food'

Eat Smart

- Easy** Write a shopping list (save money and reduce food waste)
- Medium** Buy local food or grow your own
- Harder** Eat less meat

Cllr Robert Nye
Leader, Horsham District Council

'I will only buy what I need'

Shop Smart

- Easy** Think before you buy – do you need it?
- Medium** Choose energy efficient products
- Harder** Buy durable items that last for years and have broken items repaired

Collyer's students

'We will walk to school'

Travel Smart

- Easy** Walk or get on your bike for short trips
- Medium** Car share – it saves money and is social
- Harder** Ditch the plane and discover places closer to home

Local school children

'We will become carbon neutral'

Recycle at work and school

- Easy** Don't just do it at home, recycle at work
- Medium** Switch to recycled stationery
- Harder** Organise a green team to really get things moving
